

## Existing Conditions

### Bike Facilities

- None from I-410 to Guilbeau
- Shoulders only from Guilbeau to Loop 1604
- Road intersects Leon Creek Greenway; limited connection
- Striped lanes on parts of Mystic Park and Camino Villa

### Pedestrian Facilities

- Sidewalks disconnected on both sides
- About 1/3 total length has sidewalks
- Crosswalks at all signalized intersections, but many are at locations with no sidewalks

Bike-unfriendly road

Multiuse path

Disconnected neighborhood, few sidewalks

City of Leon Valley  
(sidewalk data not available, so walkability data not included)

Connected neighborhood with sidewalks

Disconnected neighborhood with sidewalks

### Data Sources

Sidewalk Extents: City of San Antonio GIS Department; Shapefile showing location and length of City of San Antonio sidewalks  
 Bicycle Road Ratings: Alamo Area Metropolitan Planning Organization; Shapefile showing subjective road ratings for major city roads  
 City Limits: City of San Antonio GIS Department; Shapefile showing extents of City of San Antonio municipal boundaries  
 Multiuse Path: City of San Antonio GIS Department; Shapefile documenting location of multi-use (combined walking/biking) dedicated paths
